

**Trumbull County Amended Public Hearing for the  
PY 2018 Community Housing Impact and Preservation (CHIP) Program  
VIA Zoom  
May 19, 2020**

**Meeting Minutes**

The meeting began at 6:00 p.m. Those in attendance via Zoom include: Julie Green, Director, Trumbull County Planning Commission; Nic Coggins, Assistant Director, Trumbull County Planning Commission; Jenna Amerine, Trumbull County Combined Health District; and Renee Fox, Tribune Chronicle

Nic Coggins stated that we currently have a 2018 CHIP grant that will be wrapped up at the end of the year, but two amendments were needed due to the effects of COVID-19. He stated that the amendment extended the deadline of the grant from December 31, 2020, to March 31, 2021, due to the effects of COVID-19 halting construction for the safety of the inspectors and eligible applicants and included a request to appropriate \$12,000 from the Housing Rehabilitation activity to a new activity, Emergency Housing Assistance, to aid any low- and moderate-income (LMI) households with mortgage or rental assistance for up to three months.

Nic Coggins said he is going to make a flyer with the information on the Emergency Housing Assistance information and it will be shared by the Health Department and TNP. See attached.

There was no further business, and the meeting adjourned at 6:05.
